

Trinkle, Trinkle

BY: Anira Brown

DRIP DROP, DRIP DROP

Colossal raindrops dart to the ground

Rain off trees make half the pitter-patter sounds

Rivers quickly gallop through the rainforest floor

Rocks are magnets to animals and waterfalls

Monkeys Howl, *"OOH OOH OH OOH OOH OOH"*

Birds calling animals that are in thirst, *"WHOO Whooo"*

THOSE ARE THE STORIES BEHIND THE TRINKLE, TRINKLES

TRINKLE, TRINKLE, Trinkle, trinkle, trinkle, trinkle
